The Life Expectancy Gap

CAUSES OF DEATH CONTRIBUTING TO THE LIFE EXPECTANCY GAP IN DEVON

How can we narrow the gap?

- Address the root causes of health inequalities (housing, work, poverty etc.)
- Smoking clinics and tobacco control
- Early detection of cancer (screening and public awareness)
- Health Checks
- Prescribing of statins and anti-hypertensives
- Healthy eating and physical activity
- Reducing harm from alcohol
- Improving mental health and wellbeing

Healthy Lives,

The Marmot Review – Policy Objectives

1. Give every child the best start in life
2. Enable all children, young people and adults to maximise their capabilities and have control over their lives
3. Create fair employment and good work for all
4. Ensure healthy standard of living for all
5. Create and develop healthy and sustainable places and communities
6. Strengthen the role and impact of ill health prevention
