## DEVON NHS STOP SMOKING SERVICE

---

### TRAINING DATES 2015

#### Two –day Practitioner Training

This course is suitable for people working in a GP or dental practice, pharmacy, optometrist or workplace or community setting where they will be able to offer weekly stop smoking sessions for individual smokers wanting to become smokefree.

This course is run over two days (one day a week).

#### Aims of the course:

- To increase knowledge of nicotine addiction and stop smoking treatment options
- To increase skills and confidence in running one to one stop smoking sessions
- To become a competent Stop Smoking Practitioner compliant with the NCSCT Training Standard

## Stop Smoking Refresher Training

Supporting the trained Stop Smoking Practitioner, refreshers provide an update on new medications and current guidance.

We recommend that all Practitioners attend one of these sessions annually in order to keep knowledge and good practice up-to-date and thereby offer the best possible service to all clients and patients.

### Aims of this course:

- Skills development and CPD activities  
Update knowledge on the latest pharmacotherapy treatment options and prescribing guidance.
- Update knowledge on the latest Department of Health monitoring guidance and the role of the Stop Smoking Practitioner
